## **Identity Verification of Students Attending Coast Guard Approved Courses**

In compliance with NMC Policy Letter 11-02, July 2002, each school is required to verify the identity of its students by one of the following forms of photo identification:

- ✧ U.S. Coast Guard issued Merchant Mariner Document (MMD)
- ✧ U.S. Coast Guard issued STCW 95 certificate (with photograph)
- ✧ STCW 95 certificate (with photograph) issued by a foreign country
- ✧ U.S. Passport (un expired or expired)
- ✧ Un expired foreign passport
- ✧ United States Armed Forces identification card
- ✧ Identification card issued by federal, state, or local government agencies, provided it contains a photograph
- ✧ Driver's license or identification card issued by a state or U.S. possession, provided it contains a photograph
- ✧ Permanent Resident Card or Alien Registration Receipt with photograph (INS Form I-151 or I-551)
- ✧ Un expired Employment Authorization Document issued by the INS which contains a photograph (INS Form I688B)

A photo static copy of the identification shall be made and kept with the student's training record. Students who refuse or are unable to provide the required identification, as described above, will not be allowed to participate in the training nor be issued a course completion certificate.

## **STCW COMPLIANT MARINE FIREFIGHTING**

The marine firefighting mockup is designed as a mixture of a steam engine room and diesel room. It is intended to provide training for bilge fire, fuel line failure fires, boiler fires, fuel tank overflow fires, engine room access procedures.

### **Basic Marine Firefighting - MFC-013**

This 17.5-hour course aims to provide the training for candidates in fire prevention and fire fighting in accordance with the 1995 STCW Convention Chapter VI, Section A-VI/1, paragraph 2 and Table A-VI/1-2. On meeting the minimum standard of competence in fire prevention and fire fighting, a trainee will be competent to take appropriate measures for the safety of personnel and of the ship and to use fire appliances correctly. The trainee will also have knowledge of fire prevention.

### **Advanced Marine Firefighting - MFC-014**

This 32-hour course is designed for all seafarers with safety or pollution prevention duties. This course covers the training required by STCW Section A-VI/3, as outlined in Table A-VI/3, Annex Two of the International Maritime Organizations (IMO) Resolution A.437 (XI) "Training of Crews in Firefighting" and the Code of Federal Regulations (CFR).

Prerequisites: Certification of Completion from a qualified "Basic Marine Firefighting Course"

### **Combined Basic and Advanced Marine Firefighting**

This 49.5 hour course is designed to meet the needs of those students desiring to obtain certificates of completion for both the Basic and Advanced Marine Firefighting. This class is available at a discounted rate.

### **Payment/Cancellation**

Payment is due on the first day of training in the form of a check, money order or credit card (VISA/Master Card). Payment by purchase order or invoice is also accepted for organizations and companies. Credit cards are acceptable Monday-Friday between the hours of 0800-1700.

Checks and money orders should be made payable to the **WASHINGTON STATE PATROL**.

### **Housing**

On site housing is available for \$30.00 per night per person in a dormitory style building. Students are required to provide their own toiletries and pillows. Check out time is 8:30 a.m. and the student is responsible for the cleanliness of the room. If housing is desired please contact the Fire Training Academy at 425-453-3000.
